PRESS RELEASE

Saline County Judge Jeff Arey took his Mobile Office to the breakfast crowd at the East End Café last Saturday morning. “I really enjoyed meeting everyone and getting a chance to hear from them. My Road Department Superintendent, Marty Polk, and Veterans Service Officer, Katie Davis, were with me along with Cathy DePelsMaeker of Recycle Saline. We heard about a lot of different issues and concerns they had but most of the concerns centered on road maintenance and drainage, which we hope to address in the next few weeks” said Arey. Several other Saline County officials were present, including Audrey Villegas, with the Saline County Planning Board, Saline County Prosecuting Attorney Ken Casady, State Representative Julie Mayberry, and District 1 Justice of the Peace Pat Bisbee. “I really enjoy going to different communities across the county, meeting people and hearing about the issues that are important to them. I think it is important for elected officials to be accessible to the public. It lets the community know that we care and it also helps us do our job better!” Arey explained.

The next mobile office will be held in the Shaw Community on April 12, from 5:00 pm to 7:00 pm at the Shaw Fire Department, 5513 Hwy. 35, Benton, Arkansas.
