Saline County Judge's Mobile Offices for 2016

Saline County, AR- Saline County Judge Jeff Arey will once again be conducting mobile offices throughout Saline County. He and his staff will make themselves available for questions and personal meetings at a variety of locations.

According to Arey "One of the most frequent comments I heard during my campaign for County Judge was that people in outlying communities of Saline County felt like they had been forgotten and their needs and concerns were not a priority. By hosting mobile offices in these communities I hope to show that their community is certainly not forgotten. I think it is important for elected officials to be accessible to the public. It can be very difficult for people who work during the day to come by the Courthouse and see me face to face. No appointments are necessary just drop by when we are in your area. If we don't have a Mobile Office scheduled for your community, you're welcome to come to any of the other locations."

The schedule for the Mobile Offices is:

February 9	Hot Springs Village – Ponce de Leon Center	2 pm to 4pm
