**Roll Call:**

Present: Layne Penfield  
Kevin Barham                      Justin McCauley  
Eric Krebs

**Presentation of Minutes:** January 14, 2016; Kevin made a motion to pass, Justin made a second, and passed by all.

**\*Noted that the presentation of minutes date on the agenda needs to be changed to reflect January's minutes**

**New Business:**

- **Dollar General Commercial, Final:** Eric Krebs excused himself from the Board to present the plat. It was noted that the plat came back before the Board because the property owner information had been changed from the previously approved final plat and there still needs to be sanitarian approval and water source on the plat. Justin made a motion to approve contingent upon having sanitarian approval and documentation of water source on the plat, second by Kevin and passed by all.
- **Maple Creek Medical Plaza Addition, Lot 1:** Scott Foster is presenting this plat and the only comments from the Board is they would like to see sanitarian approval on the plat. Justin made a motion to approve contingent upon having sanitarian approval, second by Kevin and passed by all.

**Old Business:**

**Open Discussion:**

**Motion to adjourn made by Kevin Barham and second by Eric Krebs, meeting adjourned 5:40 pm.**

**\*Minutes are not approved until the next designated Planning Board Meeting\***
