

**1. Who is currently providing EMS transports?**

Saline Memorial Hospital (Medtran).

**2. Are you paying a subsidy currently? If so, how much?**

No.

**3. What are the current response time requirements? Are they being met?**

The current contracts do not list response time requirements.

**4. How many trucks are deployed in the system currently? What are the hours (12 hr or 24 hour, etc.)?**

- 3 ALS trucks
  - 24/7
- 1 additional ALS truck
  - 0800-0000

**5. Is this RFP result of contract expiration or system pain points?**

Saline County, Benton, and Bryant all have contracts that will be expiring before May 31, 2022.

**6. Can you confirm the submission deadline (website says June 17<sup>th</sup> and the RFP says June 18<sup>th</sup>)?**

June 18, 2021.

**7. I saw an estimated call volume in the questions, do you know the number of transports for each of the last 3 years? If not, do you know a call transport rate percentage?**

2018: 12062 TOTAL AMB DISPATCHES--8613 TRANSPORTS

2019: 12463 TOTAL AMB DISPATCHES--8810 TRANSPORTS

2020: 12256 TOTAL AMB DISPATCHES--8581 TRANSPORTS
